

Uptick Curated

August Edition

Uptick Curated is a chance to showcase some of the wonderful and talented creators from the Uptick Ecosystem. Each month we pick some of our favorites and share with the community.

We've been on the hunt for our favorite creations again, so let's get stuck into this month's edition!

Desertusk | Pixel Beasts

'Desertusk' from Pixel Beasts is all about chunky pixels and warm sandy tones, echoing classic Pokémon roots, with a colour palette that taps right into pure Game Boy nostalgia.

Guy McFly #54 | Petey McFly

'Guy McFly #54' from Petey McFly pushes split color styling against a warped psychedelic backdrop, with every contour slightly bent, and every hue buzzing like a CRT with the brightness turned up to eleven.
